NEW CHURCHES - SCE extends ministry by helping churches and pastors who desire to be involved in the new birth of a church. We also come along side existing churches to develop strategies that cultivate new life. New churches and renewed churches are our primary goal.

ASSISTANCE - SCE extends training and Bible teaching to help churches and church leaders grow and mature.

REALITY CHECK - SCE extends helpful counsel by helping with church evaluation that can identify areas where critical care and life support are necessary.

INTERNSHIPS - SCE extends networking to churches and Bible students together by facilitating internships and mentoring.

OUTREACH - SCE exists to extend the gospel to sinners and to extend the ministry and presence of IFCA Int. in the southeastern United States.

SUPPORT - SCE extends a network of ministry, encouragement, and training to churches and pastors.

NEW CHURCHES - SCE extends ministry by helping churches and pastors who desire to be involved in the new birth of a church. We also come along side existing churches to develop strategies that cultivate new life. New churches and renewed churches are our primary goal.
